

Bugs

Supplies you'll need

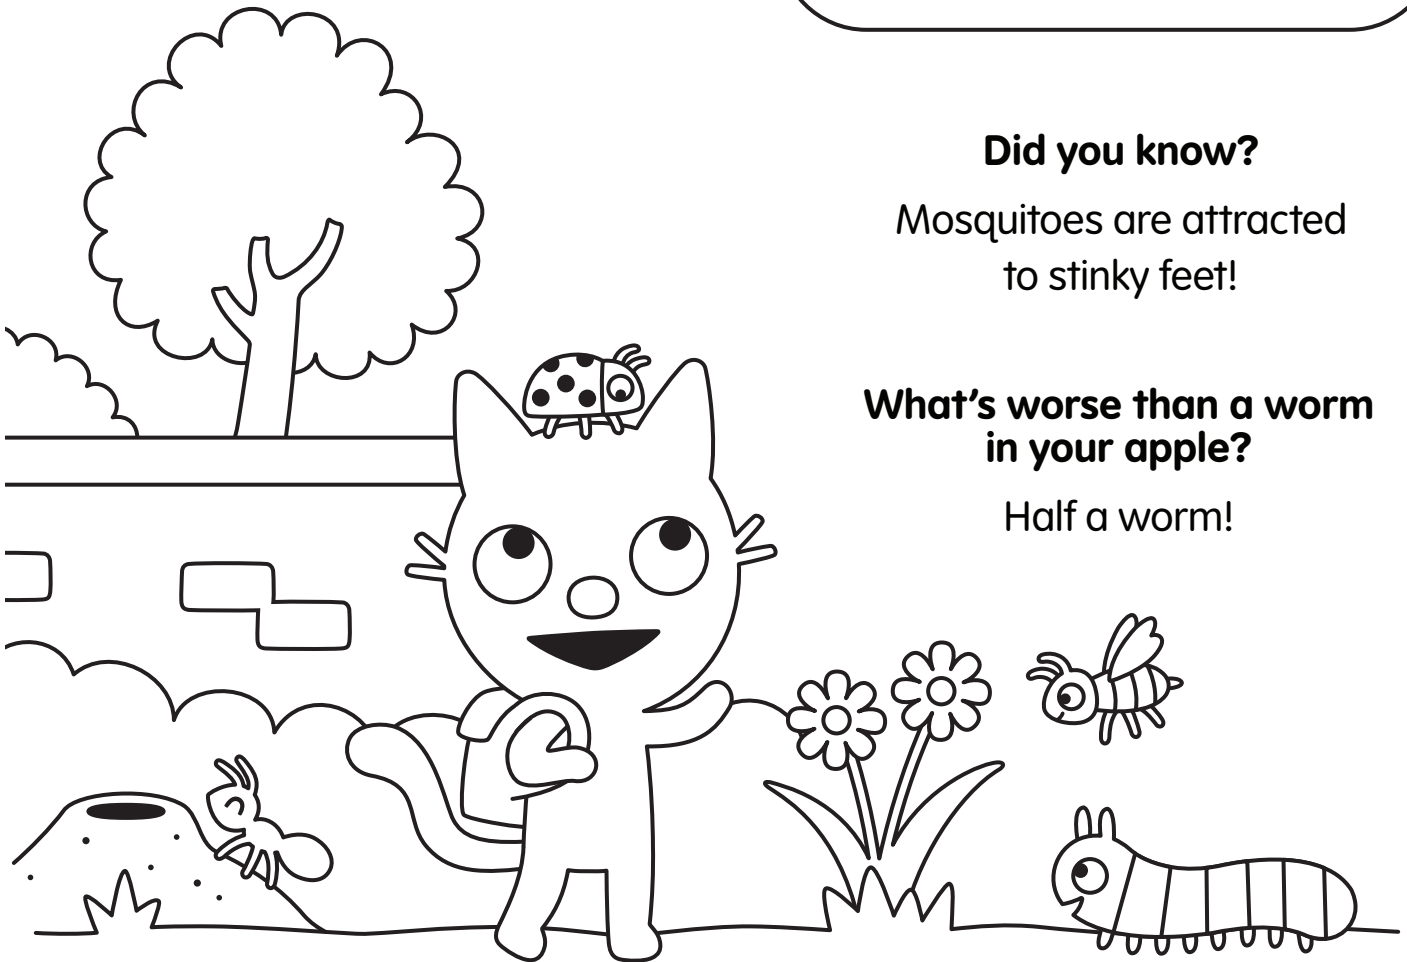

Did you know?

Mosquitoes are attracted to stinky feet!

What's worse than a worm in your apple?

Half a worm!

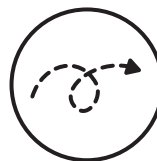

Activities included in this set

Learn about symmetry while completing the bugs

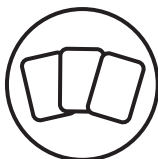

Identify different bugs

Build fine motor and spatial skills in a maze

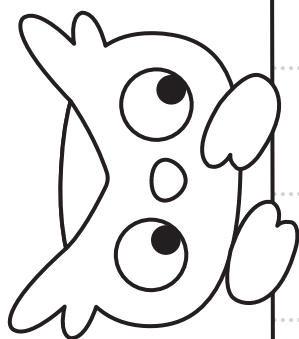

Search for bugs and their habitats in bugs bingo

Play a game of memory with bug flashcards

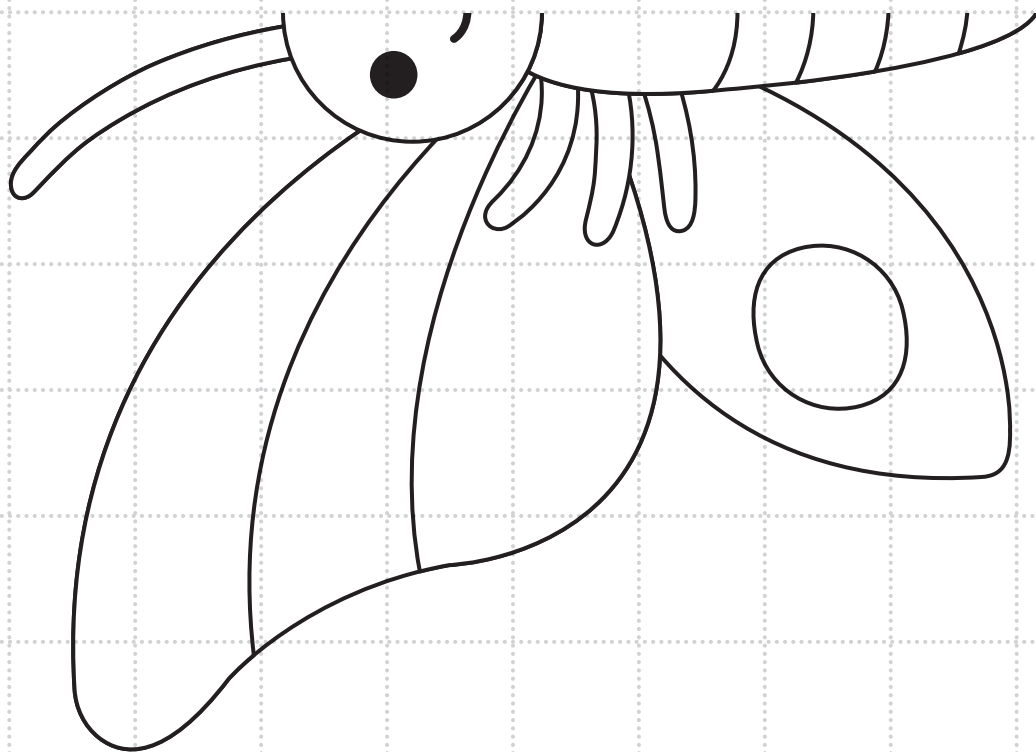

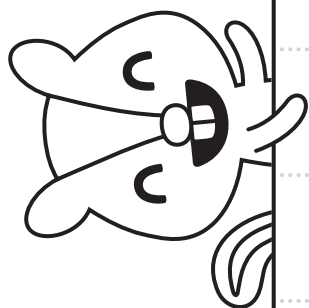

Learn bug anatomy with a color, cut & paste activity

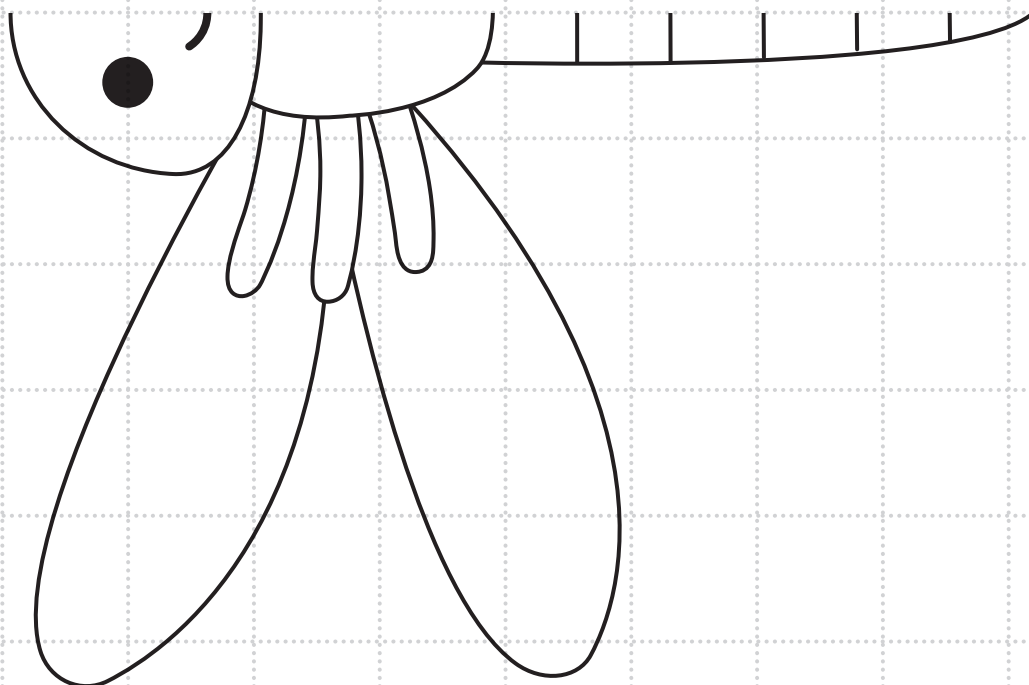

SAGO
mini

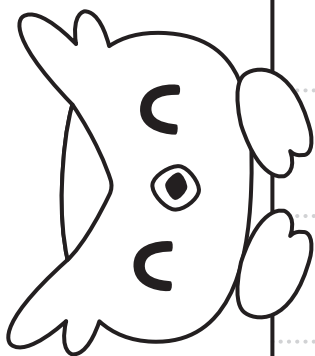

Draw the other half
of the butterfly!

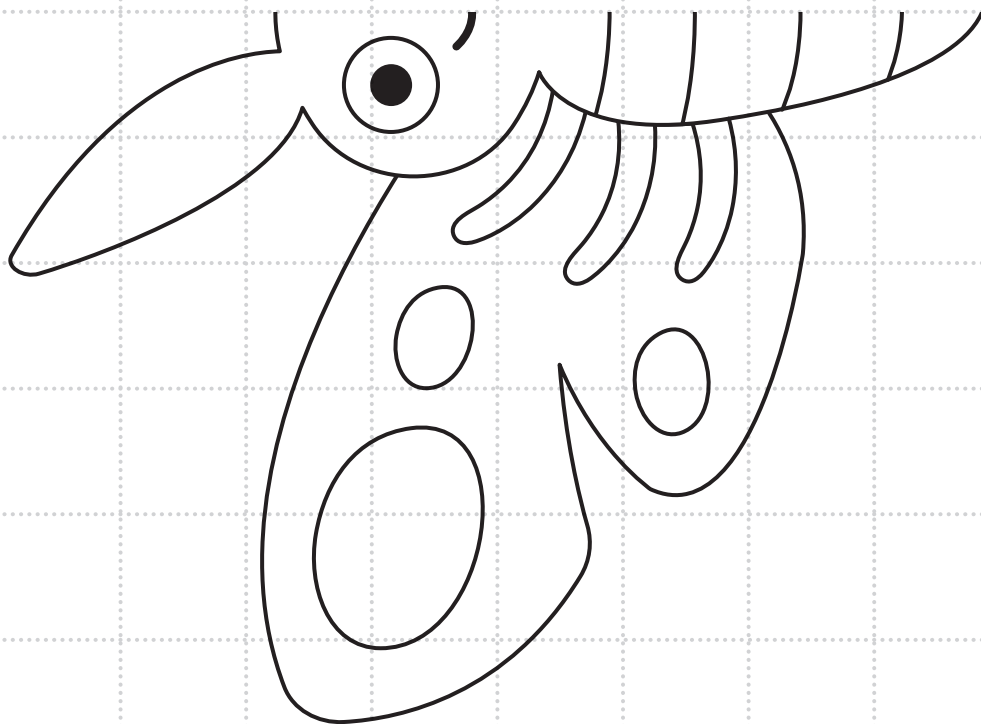

Draw the other half
of the dragonfly!

Draw the other half
of the moth!

Instructions

1. Head outside and see how many different bugs and habitats you can find!

2. When you find something, color it in on the sheet.

3. Once you have a row, column, or diagonal, you win!
