

# Fish Puppets and Play House

## Instructions

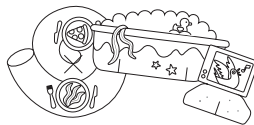

### Contents:

puppets

straps

furniture

### You'll need

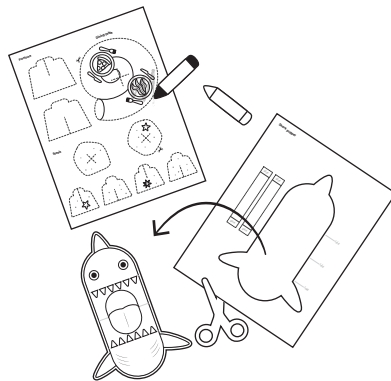

glue

crayons

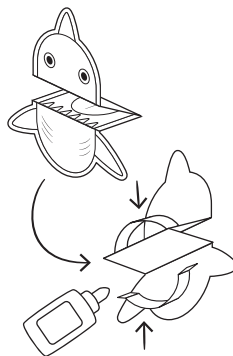

scissors

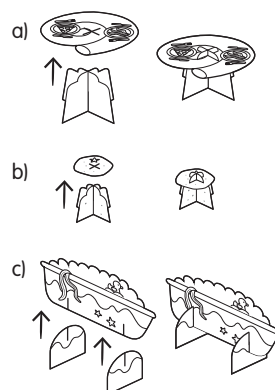

### 1. Print, color, and cut out

Print out the activity. Color and cut out all the pieces.

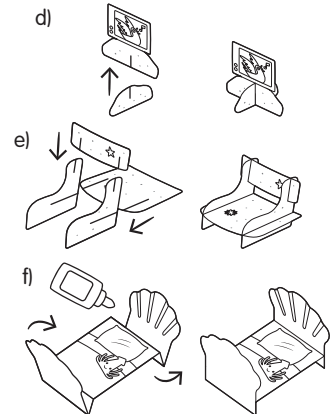

### 2. Assemble puppets

Fold puppets and straps along the grey lines. Glue the ends of the straps to the back of the puppets.

### 3. Assemble furniture + play!

Slot together the furniture as shown above (a-e). Fold the ends of the bed and glue together (f). Arrange your finished furniture into a home for your puppets.

### Educational play benefits

Play for play's sake is the best way to develop, learn and grow.

Small motor play

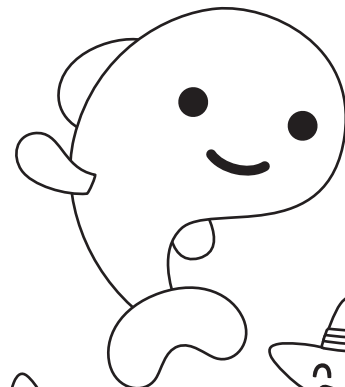

Make-believe play

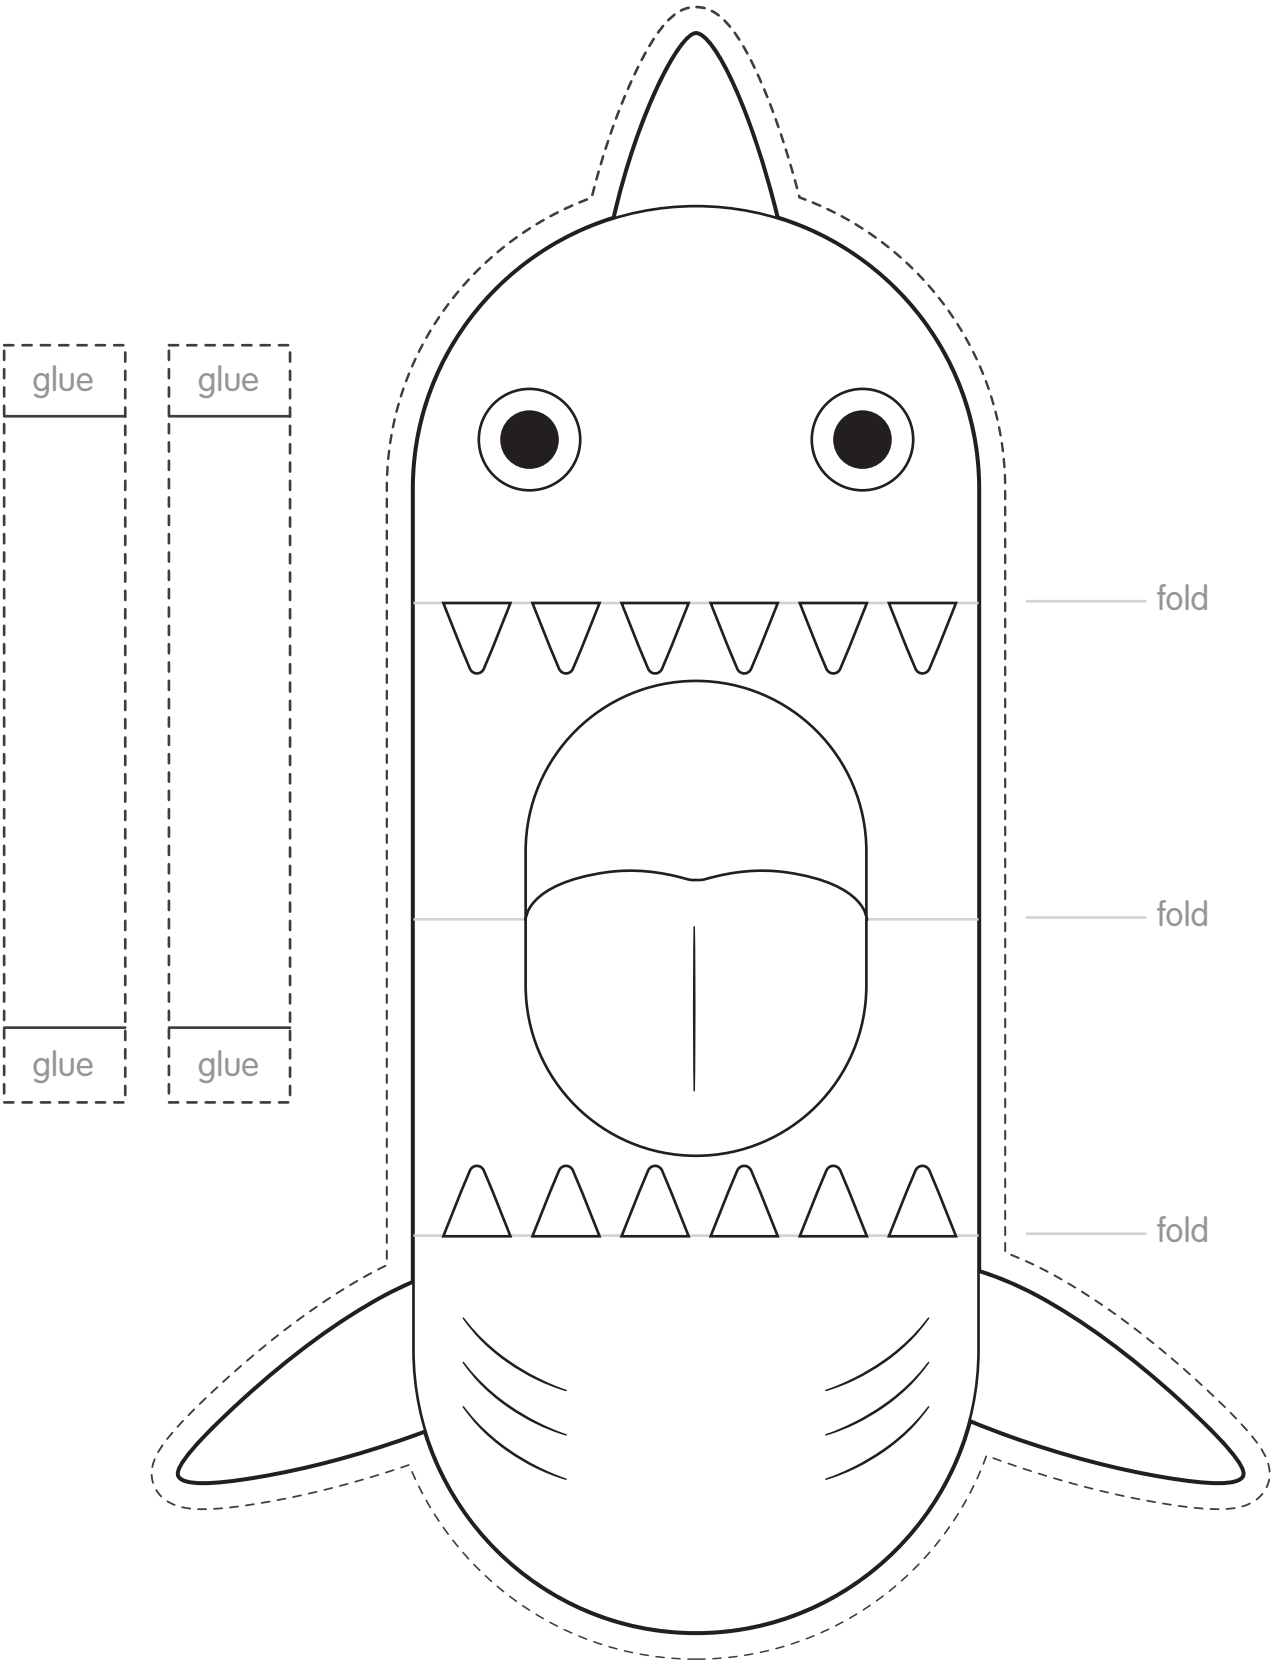

This printable activity is inspired by the

# Ocean Swimmer Box
