

# Pumpkin Carving Stencils

## Supplies you'll need

pumpkin

tape

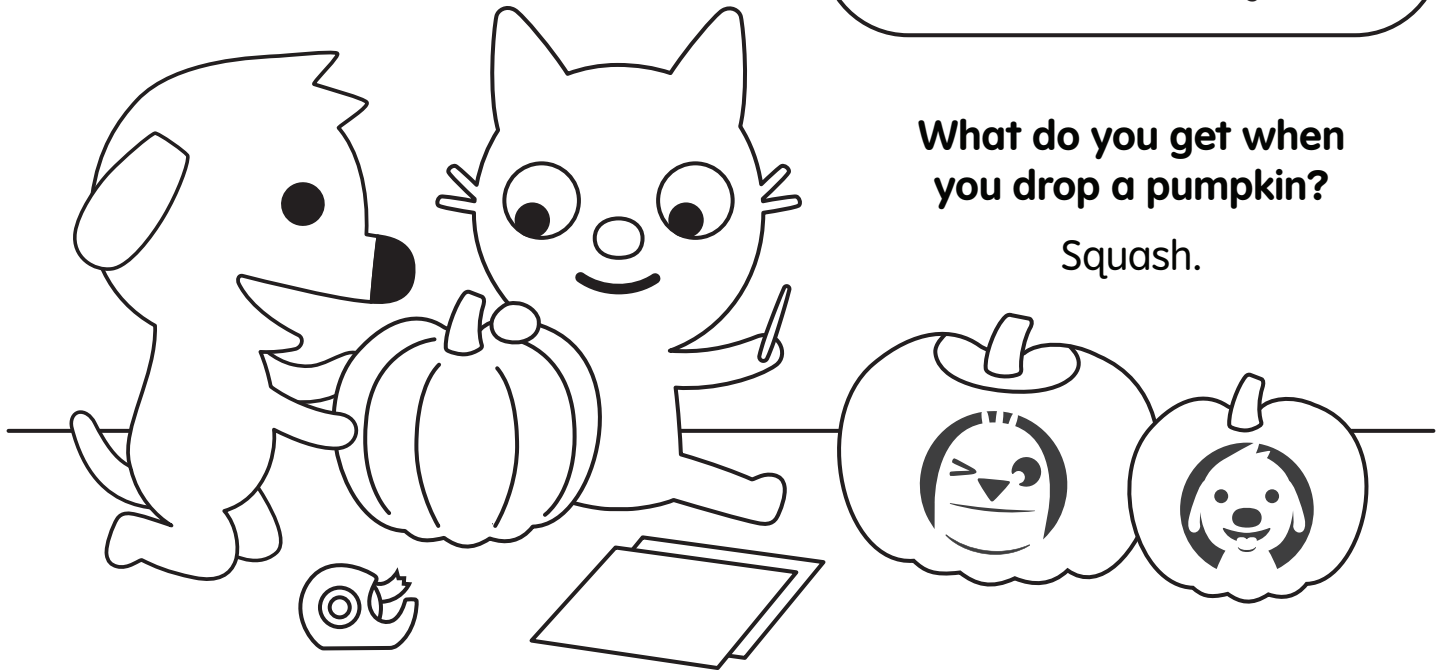

toothpicks

carving knife

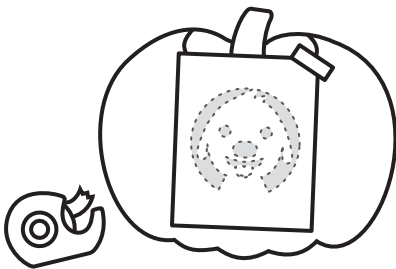

tealight

What do you get when you drop a pumpkin?

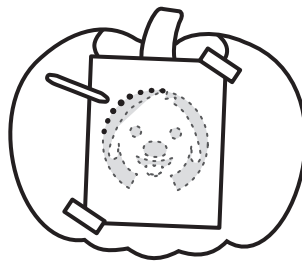

Squash.

## Instructions

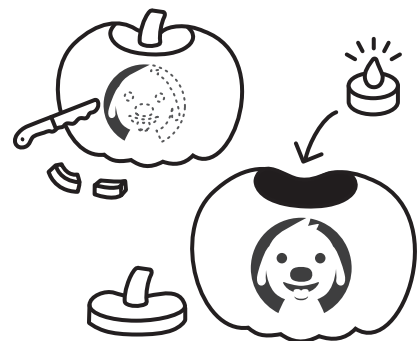

### 1. Print and position stencil

Print out the stencils and position one onto the surface of your hollowed-out pumpkin. Use tape to keep the stencil in place.

### 2. Transfer the stencil

Using a toothpick (or a sharp pencil), poke holes through the stencil to mark the design onto the pumpkin.

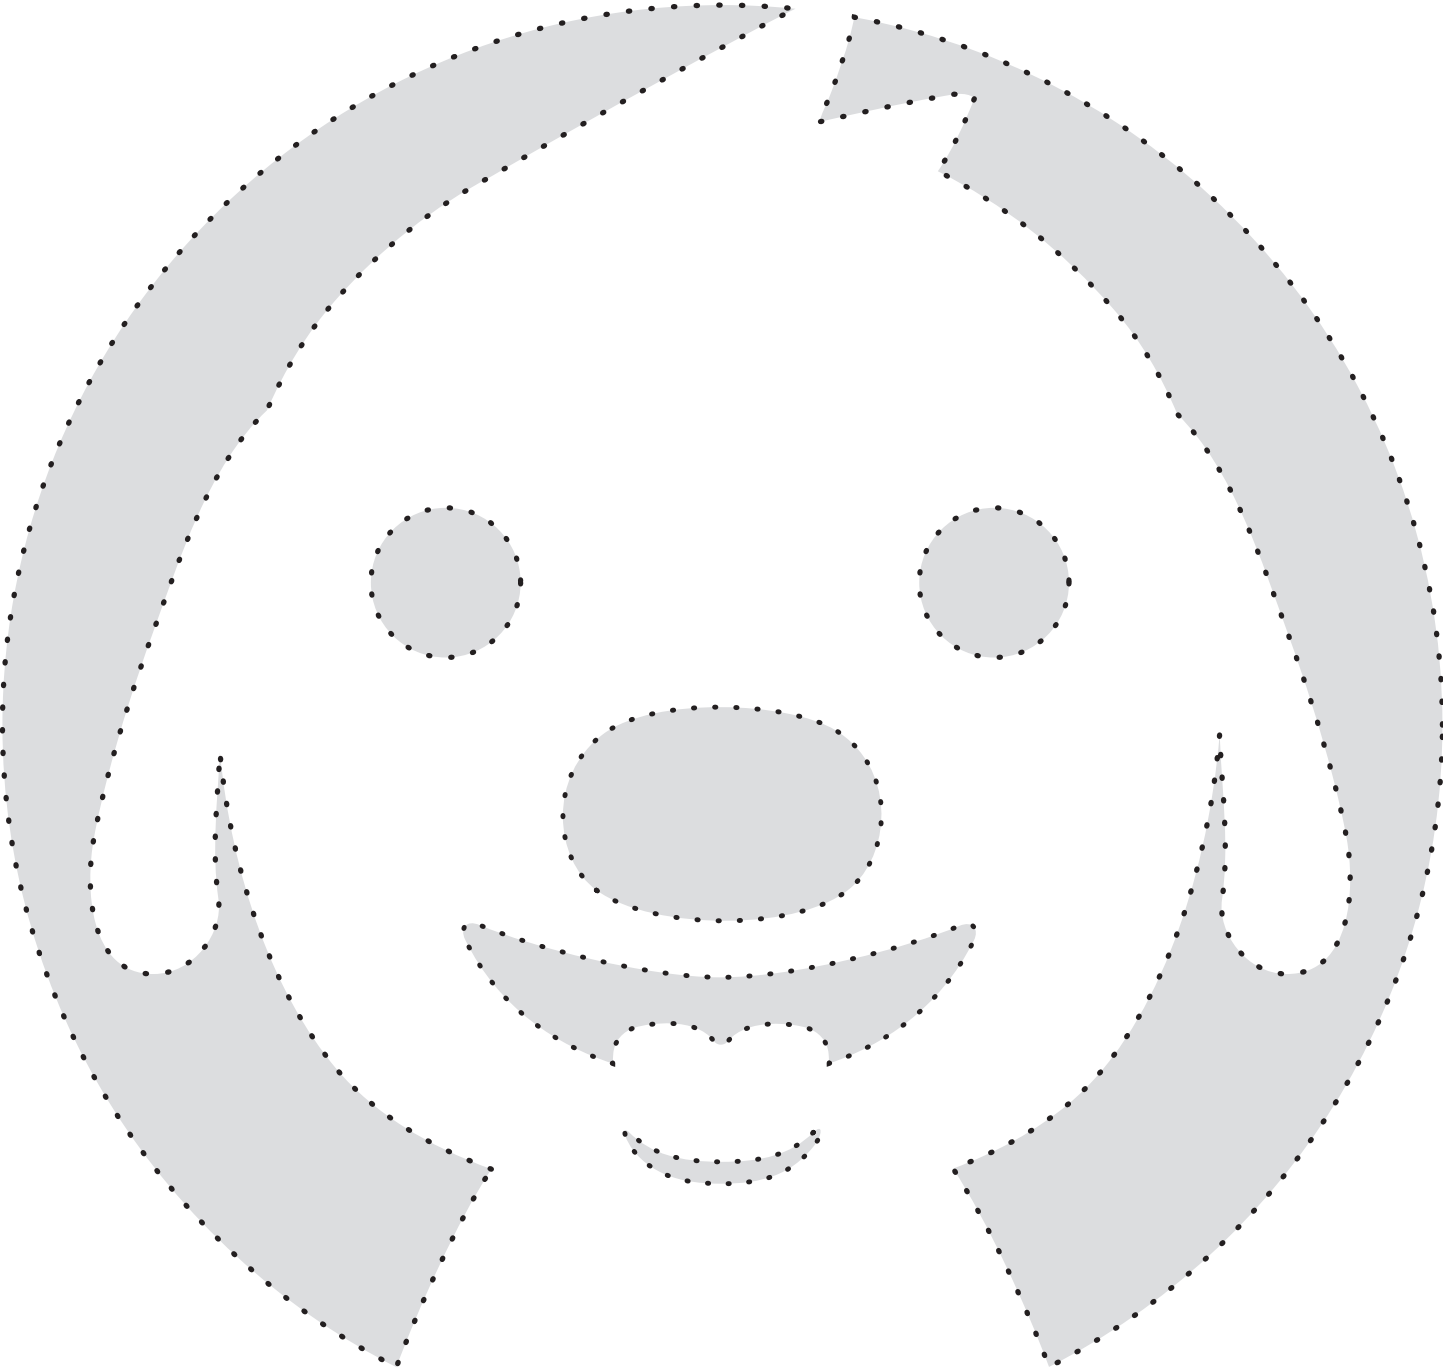

### 3. Carve pumpkin

Remove the stencil, and cut along the dotted lines using your carving knife. Remove cut-aways and light your pumpkin.
